

Financial statements and activity report 2025

NextGen Church was founded on 1-1-2022 therefore this was the third year of official activities and the first full year of activities. The church was born out of a Connect Group that has been meeting and under supervision of the Apostolic team of the mother church, Lighthouse Christliches Zentrum in Aachen.

God has again been gracious and did amazing work among us.

During this year we have had many activities also together with our mother church in Aachen, such as several seminars, bible course and encounter meetings.

Sadly due to an accident our senior pastor from the mother church was not active which in turn meant that our leader in NextGen needed to take more responsibilities in the mother church temporary. We hope and expect that to turn round during the next year again.

We also had 6 guest preachers come to our church this year.
